To Whom It May Concern:

This letter is to inform you that a Kasco strategic technology partner for India is Valiant Entech Private Ltd. Param Desai (CEO) serves his position as the nodal strategic partner on behalf of Valiant Entech Private Ltd for India. They can quote and provide pricing for units and parts for Kasco equipment that may be needed for any job or application in the country. They also provide erection and commissioning services for the entire Kasco range.

If you have any questions please contact me via email, matt.f@kascomarine.com or via WhatsApp +1-715-441-3497.

Thanks

Best Regards,

Matthew Frey

International Territory Manager
